SLII® ONLINE

Train Your Managers to Be the Best, No Matter Where They Are

When managers are spread out around the globe, busy executing business strategies or overseeing frontline employees, it can be difficult to take time away for leadership training and development. Yet having great managers who know how to engage, develop, and empower their people effectively is key to your company's future success. That's where SLII® Online comes in. With SLII Online, you have the ability to deliver the essentials of SLII®—the most widely taught leadership model in the world—to a dispersed workforce, frontline leaders, or managers who prefer online learning.

SLII Online is a microlearning course that teaches your managers the core concepts of SLII through short activities, available wherever they are and whenever they have time. Your managers can progress through engaging, interactive exercises at their own pace; practice their leadership skills; and learn or review content when it's most needed.

SLII Online is a flexible, modular online solution that allows you to deliver essential leadership training to all your managers.

SLII ONLINE PROGRAMS AND DEBRIEFS

3 HOURS • 1- TO 5-MINUTE

SLII Online takes your managers and supervisors through modules covering the essentials of SLII—goal setting, diagnosing development levels, and matching leadership styles to development needs—with opportunities to practice skills throughout the learning experience. The content is broken down into a variety of exercises ranging from 1 to 5 minutes, which can be completed in a total of 3 to 4 hours. Manager-led debriefs in between modules allow peers to come together to discuss learnings, share success stories, and practice new skills.

SLII ONLINE OVERVIEW

35 MINUTES • 1- TO 5-MINUTE

This SLII Online overview module provides managers and supervisors with a high-level look at SLII. This module teaches several core SLII concepts and can be completed in a total of 35 minutes.
